

HOW JMD STUDIOS IS KEEPING OUR FAMILIES SAFE!

SOCIAL DISTANCING

** Class times will be staggered as much as possible to reduce the number of people coming and going in the common areas.

** Classes will line up outside at the front of the studio and enter in small groups when it is their class time.

** Class sizes have been limited. Dancers and classrooms will be physically distanced.

** Waiting room use will be limited. All students age 6+ should be dropped off in the front lobby. Students aged 5 and under may have one person come inside and wait in the rear waiting room. We encourage all parents to drop their student off once your dancer feels comfortable.

** Guests will not be allowed in the studio at this time. This includes siblings. Parents may enter the building if they have business at the front desk or a dancer under the age of 6.

MASK USAGE

** Masks are always required in the studio, in all areas, including classrooms. As the vaccine becomes available to younger age groups, this policy may be adjusted.

** Masks are only removed if the exertion the dancer is putting forth in class could pose a health risk. We have found most dancers (even advanced classes) are able to dance a full class without removing their mask.

CLEANLINESS

** Street shoes will not be allowed in the dance rooms.

** Dance shoes may not be worn outside.

** All props will be sanitized after each use.

** Ballet barres will be disinfected between every class.

** Dance floors will be sanitized at the end of each day.

** Bathrooms will be sanitized regularly.

** Common areas will be disinfected throughout the day.

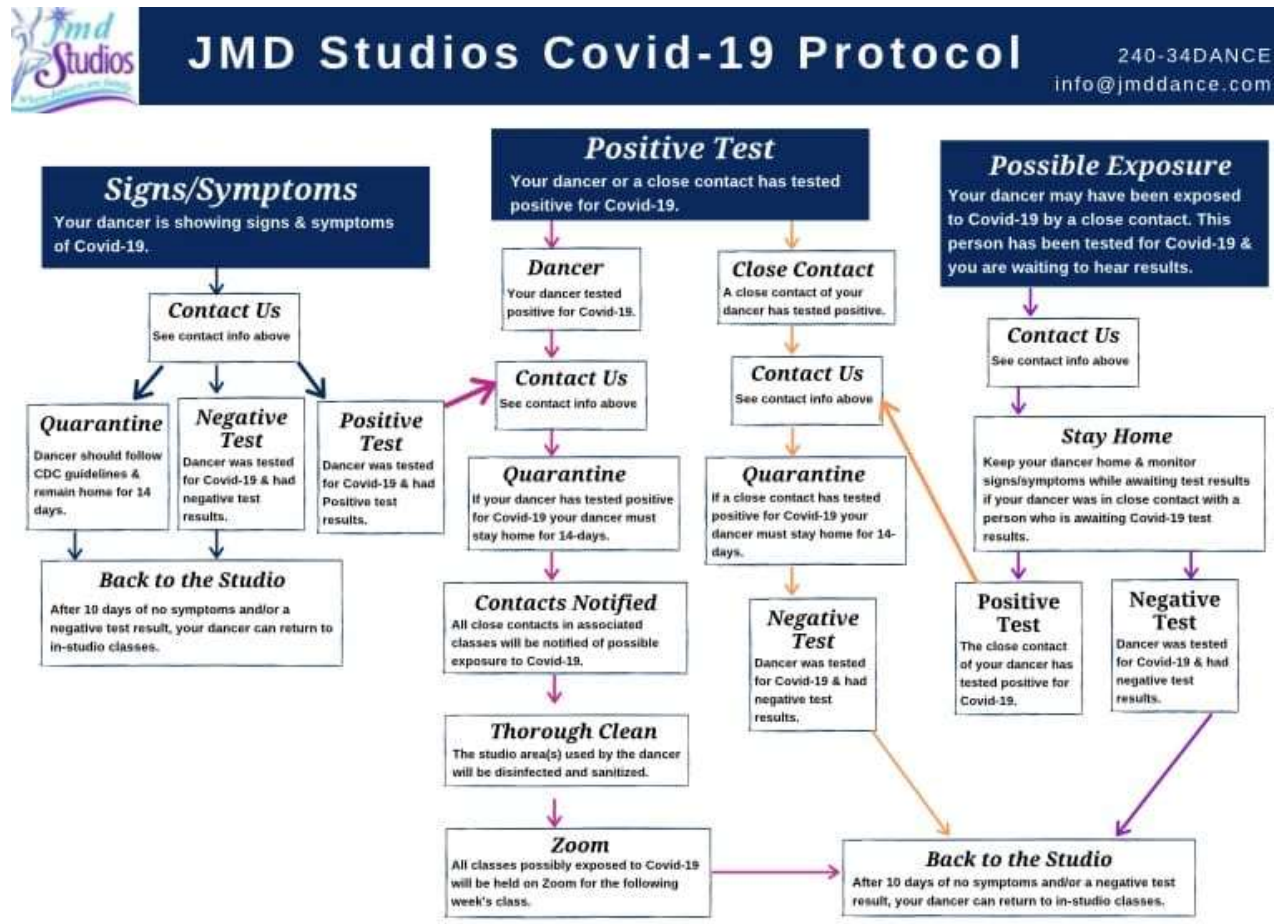

** Hand sanitizer will be used by each student and staff before entering the classroom.

HEALTH CHECK!

Students and staff should not attend class if they have any Covid-19 symptoms.

Students and staff should not attend class if they have been exposed to anyone who has tested positive for or is suspected to have Covid-19 until they test negative, or 10 days has passed since exposure.

PLEASE SEE THE DIAGRAM BELOW FOR OUR COVID-19 EXPOSURE PROTOCOLS!

Fall 2021 Update: Exposed students may return to class after a 10-day quarantine OR after a negative Covid-19 test. We will update our policies in accordance with the latest CDC recommendations.
